RESPONSE TO NOTIFICATION OF DEFECTIVE RESPONSE

Sir:

In response to the Notification of Defective Response dated August 6, 2002, applicants submit a copy of the earlier Response to Notice to File Missing Parts dated May 13, 2002.

Applicants submit that the enclosed response already authorized the charge of any required fees to Deposit Account No. 01-1944 (see the fourth paragraph) thereby obviating the need for the instant request.

Applicants also submit that the fee should not be necessary at all as the requested Declaration and Power of Attorney document was enclosed with the application at the time it was initially filed. A copy of the stamped postcard is included herewith.

Applicants also submit, for the second time, a new diskette containing the computer readable form of the biochemical sequence information for this application along with a new paper form of the same and a statement attesting to the fact that the information contained in both formats is identical.

Applicants request herewith that the enclosed diskette be substituted for the previously submitted, damaged diskette in the application.
